DAY 2: New York City Tours (Full Day) (Sun, 12/26)

We start off our tour in New York City by heading to Ground Zero, site of the tragic events of September 11th. We head to Wall Street at the heart of the financial district. The tour proceeds to Chinatown. We will take in a Waterway cruise of the New York City harbor, where you can view the city's magnificent skyline and sights, including the busy South Street Seaport, the Statue of Liberty, and the Brooklyn Bridge from the Hudson and East River.

An entertaining and informative tour guide will provide interesting facts about all of the sights that make this city special. We will visit Rockefeller Center, NBC Studios, and the surrounding shopping district along Fifth Avenue, where cutting edge fashion and luxury brands reside. We will stop at the Empire State Building, where on the 86th floor, 1,050 feet above the city's bustling streets, the Observatory offers panoramic views from within a glass enclosed pavilion. We will also see the newly transformed USS Intrepid Sea-Air-Space Museum. The tour continues to the bright lights of Time Square and the Broadway Theatre District. We will visit the United Nations. We will also spend time in the Metropolitan Museum of Arts, which contains more than two million works of art.
